Dear Mr. Merriam:

**Re: Tidal Energy Investigate License Applications
Discovery Passage South – Crown Land File 1412933
Seymour Narrows – Crown Land File 1412452**

On behalf of City Council, I would like to express the City of Campbell River's support of SRM Projects Ltd.'s application for investigative licenses, which will be used to determine the potential for future tidal power projects in south Discovery Passage and Seymour Narrows.

City Council is interested in learning if a viable opportunity for tidal power exists in our area, to benefit First Nations, partners and surrounding communities, minimize environmental impacts and generate clean power for BC.

Yours Truly,

Walter Jakeway
MAYOR
